Jesus Christ You know how I love You.
Jesus Christ You know how I need You too.
I was lost and none could have saved me,
Doomed to die from sin that enslaved me.

CHORUS
When you shed your blood on Calvary,
Lamb of God, You redeemed my helpless soul.
And ‘till You come back in glory
I will praise your Name, Jesus my Lord.

Jesus Christ, it will not be long, Lord,
‘Till you come, to rule this old fallen world.
You told us to always be faithful;
Watch and pray, with oil in our vessels.

CHORUS

Very soon, all eyes shall behold You;
Every knee shall bow before You, too.
And all tongues confess Jesus Christ is Lord,
King of kings, to the glory of Father God.

CHORUS

Lord, You’ve said there’ll be tribulation,
Signs above, with distress of nations.
And men’s hearts shall fail them for fearing.
But look up; your redemption is coming.

CHORUS
Repeat last line: I will praise your Name, Jesus my Lord.
