Jesus You Are My Master

Jesus You are my Master,
Jesus, You are my Saviour,
You proved that You love me,
The day you died, Lord, on Calvary.
And I pray Lord you'll keep me faithful,
Dear Lord, don't let me wander,
Give me grace to serve You,
Until I come home to Thee.

Jesus You're always faithful,
Though You were forsaken.
You still bore the cross, Lord,
Suffered and died; but You rose again.
And now how can I ever repay You,
My God, who died to save me?
I'll take up my cross, too,
Please let me live just for Thee.

Jesus there are so many
Souls who do know You,
And You died for them too,
You died to give them eternal Life.
Oh Lord please let me be a witness,
To your love and mercy,
Help me preach the Gospel,
And lead your lost sheep to Thee.
