I Tell You Now that I Love You

I tell you now that I love you.
I tell you now that I love you.
I tell you now that I love you
I love you now and forever my dear.

From the first time that I saw you
I prayed that we'd be together,
For you are all that I long for.
I love you now and forever my dear.

I know I can't live without you,
For all my days would be empty,
I give my heart to you only.
I love you now and forever my dear.

Musical interlude.

With the first light of the morning
I stand in awe of your beauty.
I need you always beside me.
I love you now and forever my dear.
