Satan was marked with 666 by Jesus

Sources: webchannel.purebiblesearch - truth is Christ - www.wibc.academy

This was taken from our course study 600 threescore and Six. If you want deeper understanding of the Bibles true authenticity and perfection, this is a great course to study.

When Jesus walked the earth he gave many prophecies and performed many miracles but did you know when Jesus was taken into the wilderness to be tempted by Satan, that Jesus used scripture from Deuteronomy on each temptation. By taking the scripture verses used by Jesus on each account we can use accurate numerology to show how the verse numbers, and, one anomaly from the battle show the number 666 was used by Jesus to brand Satan.

Jesus knew the beginning from the end and knew the 'Word' as it would be, in the Bible in our time. You will also see that through this evidence Jesus knew about verse divisions before their time.

To start things of we will discuss how in scripture Jesus branded Satan with 666 using scripture from the Bible.

"In the famous confrontation between Jesus and the Devil, detailed in **Matthew 4** and **Luke 4**, there is a peculiar anomaly that stands out: Jesus only quotes from the book of **Deuteronomy**. The devil delivers 3 temptations, and Jesus quotes scripture from **Deuteronomy** all three times.

With **Deuteronomy**, you realise the **Lord** was putting a **666** on the devil with verse divisions

that didn't even exist at the time of **Christ.**"
Brandon Peterson

First, Jesus quotes the **248th** verse of Deuteronomy.

Deuteronomy 8:3.

"It is written, 'Man shall not live by bread alone, but by every word that comes from the mouth of God'"

Second, Jesus quotes the **210th** verse of Deuteronomy.

Deuteronomy 6:16:

Ye shall not tempt the LORD your God, as ye tempted him in Massah.

Last, Jesus quotes the **207th** verse of Deuteronomy, with a truth drawn from 208th verse.

Deuteronomy 6:13

Thou shalt fear the LORD thy God, and serve him, and shalt swear by his name

He doesn't quote the **208th** verse, but he does draw truth directly from it and applies it to the 207th verse. This is how we get the **(+1)** in the total sum of verse positions.

Deuteronomy 6:14

Ye shall not go after other gods, of the gods of the people which are round about you;

If we add it all together, we get a total of

248 + 210 + 207+(1) = 666.

Taken from Chapter six 3 times (ch6 ch6 ch6)

Here's the Scripture from Mathew

Three names in the bible marked with 666, Solomon, Adonikam and Jehoiakim, and now Satan, but it gets more amazing as we dig deeper.

> "*The King James Bible possesses a multi-dimensional pattern that spans the entire Bible (Old and New Testaments), counting all mentions of their names along with the number itself. This is unfathomably beyond coincidence, especially with the KJB's unique "Threescore" vs "Sixty" nuance which perfectly balances these counts.*"

It truly is incredible just how deep the numbers go when you study Bible Numerology. What can you take away with you from this?

You can take it that God knew His perfect Book would be corrupted by man in the flesh. There are many versions of the Bible out there today, but they do not have the perfect authorized word of God in them. Man has change words for others, removed verses and in some cases whole chapters. This takes away many truths and true concepts of many teachings.

If you made the world's most perfect book would you support those reading a corrupted fake version of it?

I know I wouldn't, and neither would the Spirit of God (The Holy Spirit). Why did God add so much perfected numerology into the Bible? Because he knew it would be corrupted, so he signed His Word with His perfection. If just one verse is removed or changed, or words added / taken from the Word, the Numerology breaks and no longer works.
The King James 1611 Authorized version is full of incredible proof of God's hand in his perfect Book brought to us by His Spirit given in the flesh. It is such a shame now, that there are so many other corrupted versions being taken on by so many misled believers.

The following was taken from our course study Bible Numerology course If you want deeper understanding of the Bible's true authenticity and perfection, this is also a great course to study.

There are exactly 31102 verses in the King James 1611 Bible.

Which is also 1551 + 1551 = 31102

1551 was the year Bible verse numbers

were first used in a printed Bible

1551 verses inwards from the start of Bible is
PSALMS 103:1

1551 verses backwards from the end of Bible is
PSALMS 103:2

Middle verses of the Bible are PSALMS 103:1,2

103:1,2 = 31102 (verses in the Bible)

Psalms 103:1
Bless the LORD, O my soul: and all that is within me, bless his holy name.
In the book of Psalms, this is the 1611th verse

The King James Bible was first printed in the year 1611

Visit the Truthischrist.com website and make it part of your research and learning. Most of the numbers in this course were taken from a video 'Thy Word Be Verified' which was very well put together.

All of scripture ties in to numerology and more examples of this are being found all the time.

Isiah 59:19

So shall they fear the name of the Lord from the west, and his glory from the rising of the sun.

When the enemy shall come in like a flood, the Spirit of the Lord shall lift up a standard against him.
