The Golden Sequence

God the Father and the Son: Pure numerical Proof of both and the Book

In Bible Numerology

In this article we discuss an incredible finding by the Bible researcher **Brandon Peterson** at www.truthischrist.com, The numerical perfection of the Bible is so pure and perfect that it proves beyond all doubt God's book was written by Him and not man. All the people of significance in the Bible such as the disciples and the prophets all had the Holy Spirit, as did those involved in the final production print of the King James Bible in 1611.

Through God his Book of spiritual teaching and life's guide, was given to us so we could stay on the narrow path that leads to salvation. As we work through the numbers ourselves it never ceases to amaze us just how perfect and vast God's authorising numerology is.

Now we will see how God has put Himself and his Only Begotten Son into a perfect and pure number sequence (patterns) in the Bible, that when you see the depth of it, can only be God's hand. Just one of many many incredible patterns and numerical paths in God's Bible Numerology.

In the King James Bible, **Jesus*** is mentioned 980x (PURE), which is equivalent to (490 + 490), or **(70×7 + 70×7) mentions.** This in itself stands with profound significance, because Jesus himself emphasized 70×7 to represent complete forgiveness of sins in Matthew 18:21-22. Isn't it ironic? Only in the name of **Jesus** will a man find complete forgiveness of sins.

PURE = Referring to Jesus Christ the Son of God, not any other persons named Jesus.

The Golden Sequence: In the KJ Bible

"Jesus" = 980 Mentions

→ (70×7 + 70×7)

"Jesus" + "Christ" = 1554 Mentions

→ (777+777)

"Jesus" + "Christ" + "God" + "Father" = 5929 Mentions

→ (77×77)

Pattern #1: 'Jesus'

Seven is a number in Bible Numerology that has a rich presence. You can see in the Bible Numerology course how God purified His Word 7 times. Jesus signed his name in the Bible using numerology and it is done perfectly.

Odd Books:

Odd Books				Even Books
166 Chapters 5,098 Verses 117,753 Words	70 X 7 Mentions	Jesus **Until 70 X 7** Mathew 18:22 KJB1611	70 X 7 Mentions	94 Chapters 2,859 Verses 62,629 Words

Pattern #2: 'Jesus' + 'Christ'

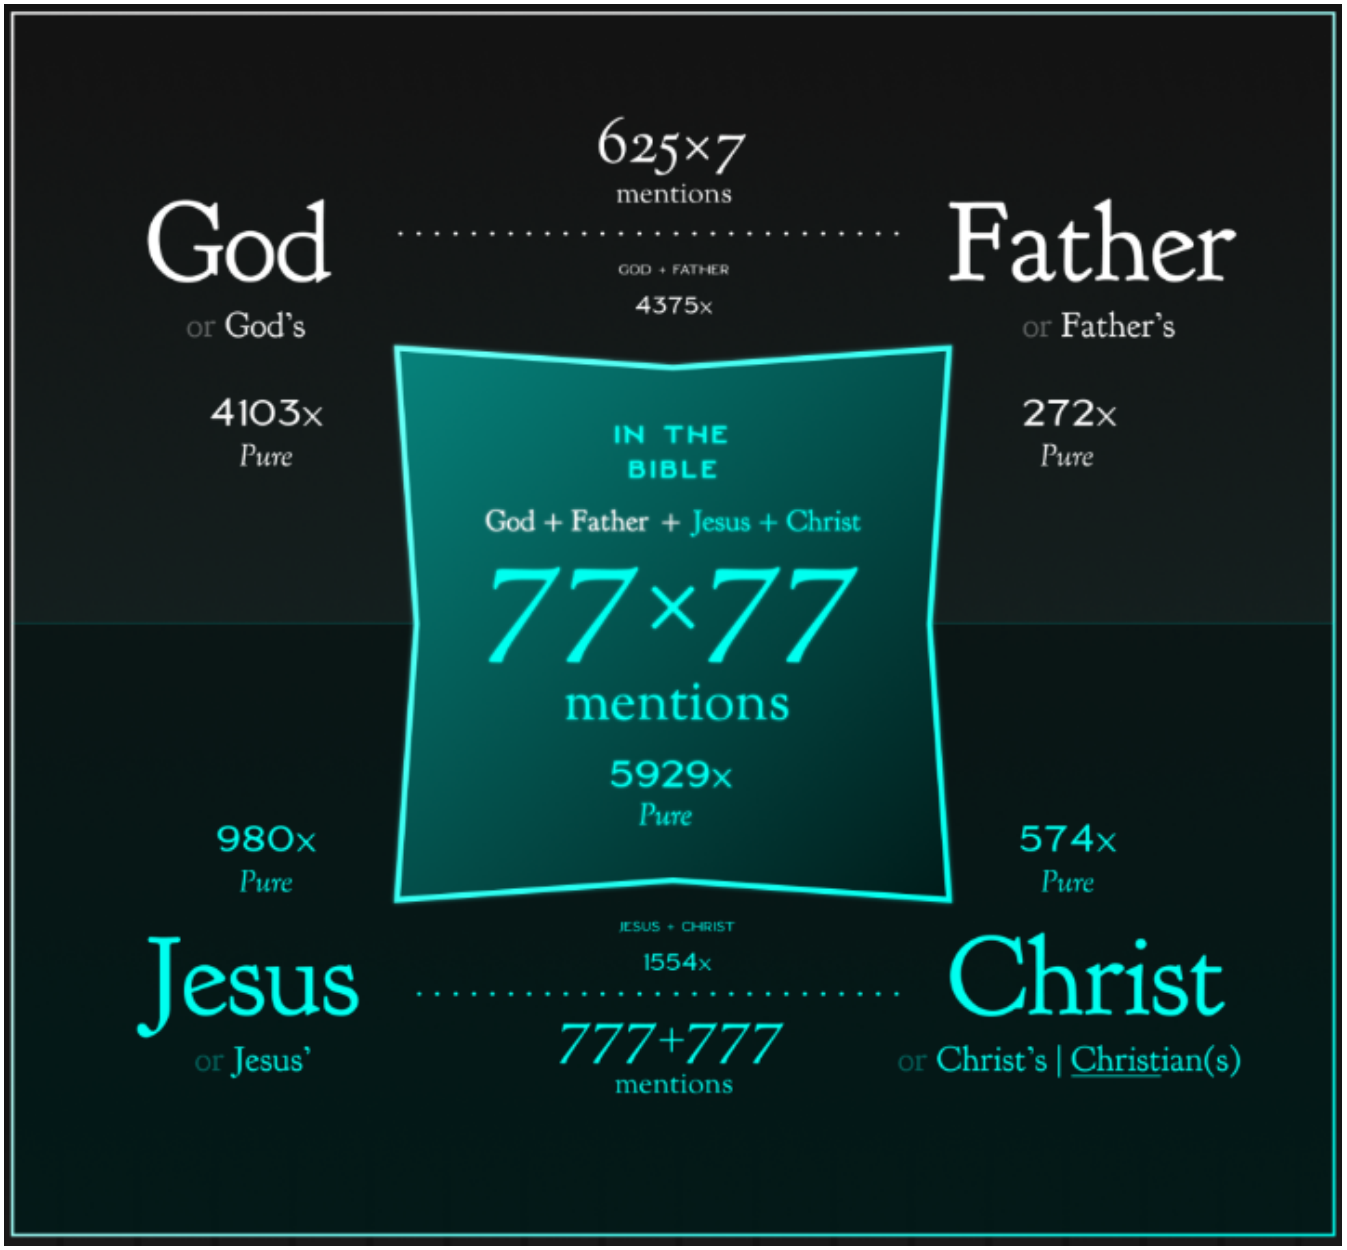
When we pair all PURE appearances (Mentions) of **Christ*** (574x) to **Jesus*** (980x), we get a total of 1554x, which is **(777+777) mentions.** This is why it's called the golden sequence, because the pattern continues to build on itself. We started with the name of Jesus by itself. Now when we add Christ, we see a perfection of an equally astonishing nature.

'Jesus'	'Christ'	
[Excluding: Joshua & Justus] Act 7:45 Colossians 4:11 Hebrews 4:8	[Excluding false Christ] Mathew 24:24 Mark 13:22	In the KJ Bible1611 'Jesus' + 'Christ' **777 + 777 Mentions**
980 Mentions	**574 Mentions**	**= 1554 (pure) Mentions**

Pattern #3: 'Jesus' + 'Christ' +'God' + 'Father'

Thirdly, if we pair those (777+777) mentions of **Jesus*** + **Christ*** with all PURE case-sensitive mentions of **God('s)** + **Father('s),** we get a total of 5929 Mentions.

Jesus* + **Christ*** + **God('s)** + **Father('s)** = 5929x (PURE) = **(77×77) mentions.**

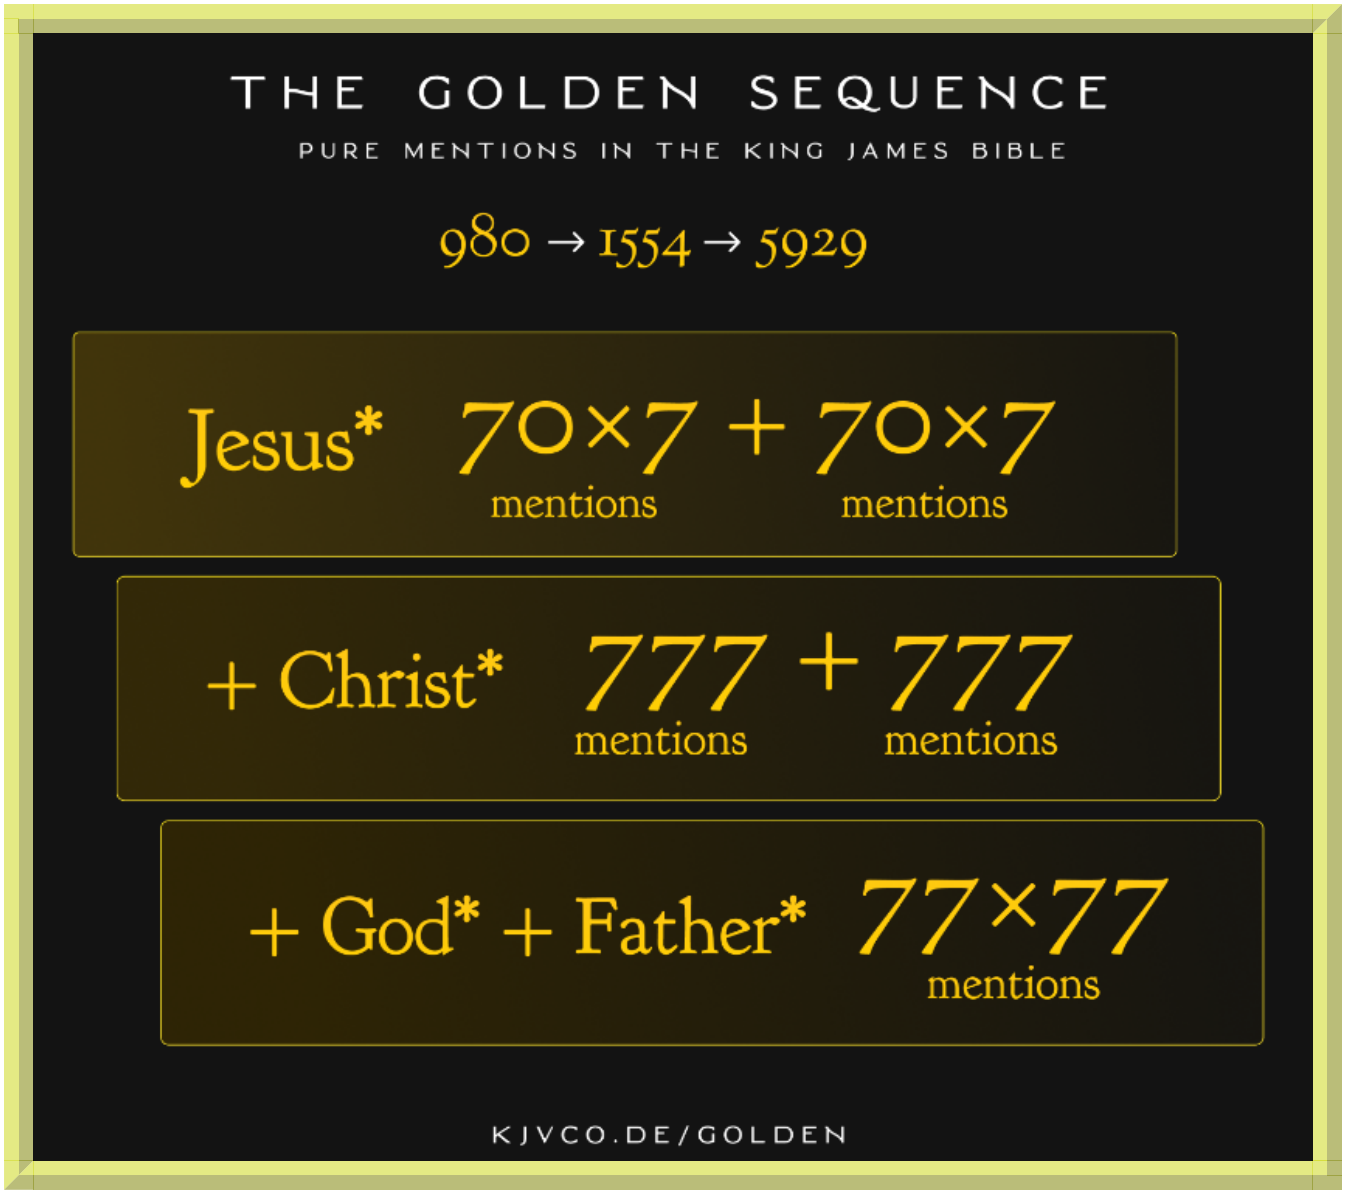


The Golden Sequence

The coherence is astonishing, and the 2nd/3rd patterns of the sequence works as a RAW pattern as well, *when we look at the verse text only:*

Jesus(') + **Christ('s)** = 1554x (RAW) = **777+777 mentions**

Jesus(') + **Christ('s)** + **God('s)** + **Father('s)** = 5929x (RAW) = **77×77 mentions**



Seek ye out of the book of the LORD, and read: no one of these shall fail...
Isaiah 34.16

"The coherence is astonishing, and the 2nd/3rd patterns of the sequence works as a RAW pattern as well, when we look at the verse text only."

— Brandon Peterson

Jesus(‘) + **Christ(‘s)** = 1554x (RAW) = **777+777 mentions**

Jesus(‘) + **Christ(‘s)** + **God(‘s)** + **Father(‘s)** = 5929x (RAW) = **77×77 mentions**

The amount of number code numerology woven into the Bible by God's hand is so vast and deep you can not deny it is a book of God's doing. The research done by Brendan and his team is truly proof of the King James Bible's authenticity, but its also proof that God will "raise up a standard against them" (Isaiah 59:19). "Them" referring to those which are so against the true word and truth the Bible brings that they are prepared to destroy it where ever they can, with many corrupted "bible versions" and deliberate misconception of scripture.

Many people struggle with mathematics, and we are no exception when we work through these matters also, but we are striving to build a place where others can learn, and have all the information broken down and explained.

It is vitally important for Christians to realise just how vast and pure the Authorized King James 1611 Bible truly is, and that it is the only Bible in English inspired by the Holy Spirit. All other "versions" are corruptions. But if we read, memorize and follow the King James Bible we can walk stronger in the Spirit and without doubt be blessed.

God loves all mankind and is not willing that any should perish, but that all should come to repentance (2 Peter 3:9).

Seek ye out of the book of the Lord, and read:

no one of these shall fail, none shall want her mate: for my mouth it hath commanded,
and his spirit it hath gathered them.
Isaiah 34:16

All glory to God our Father in heaven
and to His Son the Lord Jesus Christ our Lord and Saviour:

"And without controversy great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory"

(1 Timothy 3:16).
