The Flat Earth Debate

The ever growing debate and movement.
What side of the fence are you; Flat or Globe?

Introduction

There is a fast rising movement of Flat Earth believers in the world today, and a great deal of debate on the subject. Why has this come about? There are many verses in the Bible that point to the earth being flat and stationary. Scripture also states that above the earth there is a fixed solid firmament, in which the sun, moon and stars move "in their courses" above the earth (Genesis 1:6-8,14-18, Judges 5:20) . Nowhere in Scripture does it say that the earth moves, but rather, it is stated that the LORD:

"Laid the foundations of the earth, that it should not be removed for ever" (Psalm 104:5).

Scripture also tells us that the LORD laid the foundation of the earth on pillars;

"For the pillars of the earth are the LORD'S, and he hath set the world upon them" (1 Samuel 2:8), as also stated in Job 9:6 and Psalm 75:3.

There is no mention of a "spinning ball earth" in Scripture, or the idea that there are an infinite number of "galaxies out there." However the Book of Isaiah refers to the earth as a circle;

"It is he that sitteth upon the circle of the earth, and the inhabitants thereof are as grasshoppers; that stretcheth out the heavens as a curtain, and spreadeth them out as a tent to dwell in" (Isaiah 40:22).

The word "circle" used here is a different Hebrew word from the word "ball," just as in English the word "circle" is different than the word "ball." And it is interesting that in the King James 1611 Bible there is only one mention of the word "circle" which is in the verse above, and there is only one mention of the word "ball." As it happens, the word "ball" is also found in the Book of Isaiah where it refers to the LORD's judgment against certain wicked men who rejected Him. The prophet Isaiah states;"He will surely violently turn and toss thee like a ball into a large country: there shalt thou die." The word "ball" is therefore something exactly as we understand it to be; something which can be tossed, in contrast to a circle which is a geometric round shape is drawn on a flat plane, just as we all understand it to be, and Genesis Chapter 1 tells us that above that flat circular plane the LORD created a fixed firmament in order to separate the "waters above" from the waters below;

"And God said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters. And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so. And God called the firmament Heaven" (Genesis 1:6-8).

There are a number of private individuals and organisations who have sent rockets up and found that they hit the firmament, not realising what it was. Why is this? It is because in our world today the firmament is not taught in the school system. But we can be certain that the "Rulers of the darkness of the world" (Ephesians 6:12) know that there is a firmament above the flat earth; they have put the flat earth on their UN logo, in fact. But they don't want the masses to believe the Bible. Why? Let us continue and we will offer a few thoughts a bit further along. We have included a video of the rockets hitting the firmament towards the end of this article, for those who may not be aware of this. However it is likely that the Rulers mentioned above will censor videos such as these eventually, as they have a habit of doing when something might lead people to the truth of God's Word.

And so, back to the firmament, which the LORD calls "Heaven" in Genesis 1:8. As we can see here, the Bible tells us that there are waters above the firmament, and that the LORD put the firmament in place to separate the waters above from the waters below. The waters below are also called the "great deep" in Scripture. And Scripture tells us that when the LORD sent the Great Flood in the days of Noah He opened the "windows of heaven" which were windows in the firmament of Heaven, which released the waters from above the firmament onto the earth. And we are told that the LORD made a way for the waters of "the great deep" to flood the earth:

"In the six hundredth year of Noah's life, in the second month, the seventeenth day of the month, the same day were all the fountains of the great deep broken up, and the windows of heaven were opened" (Genesis 7:11).

And so who are we to believe; the Bible, or the "scientists"? Because the "scientists" are stating things which are in direct contradiction to Scripture. And if the "scientists" are to be believed, then the LORD has been lying to us, and we can't believe the Bible can we? Either the Bible is true, or it is filled with fairy stories. But it seems that most people today believe the "scientists" and disbelieve the Bible.

But many people today may not what is actually being taught by the "scientists" about the earth, and the "universe". And so let us consider what the Author Edward Hendrie states in the introduction to his Book; "The Greatest Lie on Earth":

“An honest man who is shown to be wrong must either admit his error or cease to be honest. There are many so-called scientists and theologians who have made accommodations for falsehood. In order to keep their station in life, they have compromised their integrity and knelt in fealty to mammon and the praise of men.

George Orwell stated that “in a time of universal deceit - telling the truth is a revolutionary act.” We live in such a time. **The most universally accepted deceit today is the ingrained teaching that the earth is a globe spinning at a speed of approximately 1,000 miles per hour at the equator, while at the same time orbiting the sun at approximately 67,000 miles per hour. While the earth is orbiting and spinning, the sun, in turn, is supposed to be hurtling though the Milky Way galaxy at approximately 500,000 miles per hour. The Milky Way galaxy is, itself, alleged to be racing through space at a speed ranging from 300,000 to 1,340,000 miles per hour.**

What most people are not told is that all of this spinning, orbiting, and speeding through space, have never been proven. Indeed, those hypothesised movements and speeds are completely made-up. In fact, every scientific experiment that has ever been performed to determine the motion of the earth has proven that the earth is completely stationary. Yet, scientific textbooks ignore the scientific proof that contradicts the myth of an orbiting and spinning Earth.

The “Christian” churches have gone along with the deception and teach in their “Christian” schools a heliocentric solar system, with a spinning and orbiting earth, even though the bible clearly states that the earth does not move and is not a globe. How could this deception have been so complete as to include both the scientific world and the “Christian” churches? Why would the scientific world go along with a falsehood that has been proven to be wrong? Why would the “Christian” churches go along with a myth that is contrary to the bible? This book will explain why and how it happened all their lives.” (From Edward Hendrie; "The Greatest Lie on Earth")

DID YOU KNOW THIS IS WHAT IS TAUGHT?

Yes, you can check these things out for yourself: those who teach "The Globe Theory" also teach that ;

1. The earth itself is spinning on its "axis" at around 1,000 miles per hour at the equator. And yet we have no sense of motion. Also it is said to be "tilted" at 66.6 degrees on this axis. Here we can see an important Bible Number; 666. Coincidence? (Revelation 13:18).

2. Next, as we are said to be spinning around at about 1000 mph we are ALSO orbiting the sun at "approximately 67,000 miles per hour." The exact figure is said by "scientists" to be; 66,600 mph. Yes; another "666" in case you weren't noticing. The "666" is a sure-fire indication of Satan's work, which we discuss in our Article "The Mark of the Beast":

https://www.wibc.academy/home/articles-index/mark-of-the-beast

3. And while we are allegedly spinning at 1000 mph, and rushing around in a circle at 66,600 mph, the sun is supposedly hurtling through space at around 500,000. Well, we can see that if we are "orbiting" the sun then we will be hurtling through "space" at 500,000 mph as well along with the sun... sounds a bit fast to me, what do you think? Has any person ever been recorded as travelling this fast? I don't think so. They would probably explode. But let's continue..

4. The "Milky Way Galaxy" (two chocolate candy bar names, as it happens), is alleged to be "Racing through space at a speed ranging from 300,000 to 1,340,000."

Seriously? Yes, this is the "official narrative" which is taught by the "scientific community" today.

And yet we have absolutely no sensation of movement whatsoever, and nobody has exploded. What a relief! Let us add up for a moment all those "miles per hour" we are allegedly spinning at;

1.000 mph on the 66.6 degree axis + 66,600 mph + 500,000 mph + 820,000 mph (we'll go down the middle on that one)... and what do we get?

"The Scientists" tell us we are at an average speed of 1,387,600 mph... and yet we don't feel a sense of any movement at all!!!

Do we really think that this is even remotely possible? Apparently some people do. But did you know what the Bible calls these ideas:

"Oppositions of science falsely so called" (1 Timothy 6:20).

Or perhaps people assume that the "scientists" who promote these ideas must have an outstanding case for making these statements which not only contradict the Word of God, but which go against everything that our eyes, ears, and all our sensibilities (such as our feeling of motion) tell us. In other words, they defy our every sense of reality. And, of course, we are expected to believe that people in Australia are upside down. And somehow we are expected to believe that with all this spinning, circling, and shooting through space we always see the same constellations of the stars moving in a circular fashion above our heads, always in the same patterns, and always at the same time of year. How can this be? Are all the stars circling the sun, as well? These things are just not possible...are they?

And so yes, the "scientist" must have so much evidence for all these things, right? Wrong. They really don't have any case at all, as we shall see. And so let us consider the matter.

FIRST LET'S LOOK AT THE HISTORY

The idea of a spinning, circling Globe Earth shooting through "infinite space" is a very new one when viewed in light of recorded human history. And in fact the idea that the earth moved at all was never suggested until after the Roman Catholic "Jesuit Army" was created in 1540 in response to the Protestant Reformation which focused on the Bible and identified the Pope as the Antichrist "man of sin" of 2 Thessalonians 2, and the Papacy as MYSTERY BABYLON of Revelation 17 & 18. The Roman Papacy launched a "Counter Reformation" in response, of which their Jesuit Army was their assault team. The Jesuits were to become "highly educated" and infiltrate the world through the universities and the world of "science." The objective? It is stated in the "Extreme Oath of the Jesuits" still currently found online. All Protestants and those who did not bow the knee to the Pope had to be exterminated. And the Bible had to be "discredited". Why? Because it testifies against the Papacy; the Pope claims to be "Christ under the veil of the flesh." The Bible states that there is no such thing as a "Pope." The Bible tells us that Jesus Christ is the Saviour of all men. And no man can forgive sin but Jesus Christ and God the Father. The Bible tells us that the Papacy is the "little horn" power of Daniel 6 that rides

the Antichrist beast system of Revelation 13. And so the Vatican has set out to try to destroy or "discredit" the Bible so people will stop believing it.

And thus three years after the Jesuits were established by the Roman Papacy they pushed their Agent Copernicus to produce a paper in which he suggested that the earth could possibly be rotating around the sun, rather than the sun moving in his circuit above the earth, as is stated in Scripture. This ties-in with the Roman Catholic **MYSTERY BABYLON RELIGION** of Sun Worship. A good book on this subject is; "The Two Babylons" by Alexander Hislop, incidentally which is available as a free pdf on archive.org

The Bible identifies the Roman Papal System as "MYSTERY BABYLON THE GREAT" described in Revelation Chapters 17 & 18, another topic which we touch upon in our course "Three Hundred Three Score and Six".

And so in 1543 Copernicus suggested that the earth could possibly be "orbiting the sun" an idea which was later picked up and embellished by others, many of which have since been identified as occultists. And although some may speculate about that, there is no speculation that the author of the "Big Bang Theory" was also a Jesuit, as this is not only claimed by the Roman Catholic Papacy, but the Papacy openly brags about it.

However prior to these Jesuit and occult interventions, every civilization in the world understood that the earth was stationary, and that it was essentially flat. This fact is revealed in many ancient maps and documents produced in different parts of the world but which all come to this same conclusion.

WHAT ABOUT THE "SCIENCE"? Today many people in different countries throughout the world have been carrying-out their own investigations to see if the current narrative of the "Spinning Globe Earth" can be substantiated...or not. And I will tell you "up front" that in light of substantial evidence demonstrated by these private individuals across the world that the earth is flat and stationary.

Video by: Orpheus Khrystos Title: It's NOT A Spinning Water-coated Space Testicle and Gravity is Fake
www.youtube.com/@orpheuskhrystos580

GLOBE ARGUMENTS

However the key argument given by "Globalists" would appear to be that the "Globe" is shown in the NASA cameras and satellites. However many people have observed that most NASA images are CGI (Computer Generated Images) and many of these NASA images have already been debunked and discredited. Why? When we look at a variety of the NASA "globe" images we see that the sizes of the different continents and countries in relation to the "Globe" and in relation one another are different in different images they have produced through the years. And so it is obvious these are all mere fabrications... unless you believe the "science" that the continents and countries of the earth are morphing into different shapes and sizes in a random fashion? No; NASA "photographs" or "film sets" cannot be trusted. In any case, this is not "science."

Add to this the interview of the NASA "artist" which has made the rounds online who has stated that he was proud to be responsible for creating NASA's "globe" image, and seemed to have no problem admitting that he had created this image by piecing together a "composite" of several different images of earth, and threw in a few clouds to make the image seem realistic, as well. Why was this? **He stated that this "had to be" because there were no pictures of earth.**

What? With all those satellites allegedly "out there" are you saying that none of them can take a picture of earth? Sounds like it...What about the guys who "went to the moon?" Ah; there's the rub; they didn't go there; just as Buzz Aldred told the little nine year old girl in another video which has made the rounds on the internet.

And plenty of people have also analyzed the alleged images of "earth" from the moon and found that these have been photo-shopped. And not very well, either.

Anyone can make up a CGI and say it is real. That does not make it real, nor does it make it "scientific".

VIEWS FROM PLANES AND NASA IMAGES

Next there is the "Globalist" suggestion that videos from high altitude crafts show an alleged "curvature of the earth." However, once again, this is not scientific proof. Why? because there are many lenses that curve the view which would give this effect, such as the fish-eye lens. The windows in planes are curved enough to cause a distorted view, as well. And so is not accurate to trust these as an indicator of the shape of the earth.

What about telescopes? Once again, NASA puts forward images of the "planets" and "space" and "galaxies" but can we trust these? As it happens there was a Nikon camera once produced now discontinued, called the Nikon P-900 which many people have bought, due to its incredible zoom lens. And over time the owners of the P-900 began to see that the stars and "planets" are not as described by "science" or as portrayed by NASA; in fact they are very different. NASA says that Mars, Saturn, Jupiter and all the other "planets" are solid, however the Nikon P-900 reveals that these are not solid balls, but are coloured lights which are constantly moving in dynamic patterns. Images of these can be seen on alternative social media platforms such as www.Odysee.com, www.Bitchute.com, and www.Rumble.com

MEASURING THE EARTH FOR OURSELVES

However what is perhaps the most obvious means of understanding the nature of the earth upon which we stand is to measure it for ourselves. Because if the earth is a "Globe" then it will have a certain curvature, based upon the statistics provided by the Globalists regarding the size of the earth. In other words; since they say that it is a Globe Ball they also state what is the alleged "circumference" of the globe ball, and also the Radius (which is half the circumference) . And so when you study the mathematics for the earth's supposed curve, then you can see whether it is correct or not. And so here it is;

The mathematical calculation for the alleged size of the Globe earth is that there is a 8 inch drop into the alleged curve every eight miles. And thus this is something very simple which we can all figure out for ourselves; we do not need NASA or any other Government organization to do this for us. And this is what many private individuals around the world have been doing; they have been carrying-out laser experiments to see if the earth "drops" the way a Globe Earth must do, according to the mathematics of a Ball Earth. Lasers, it should be noted, cannot "bend". The point of using lasers for an experiment of this kind is that they always go in a straight line. Thus a laser could not "bend" over an alleged "curve."

And so it has been shown, time and time again, by many people who have used lasers across long distances where, if there had been a curve in the earth, the laser would not be seen at a distance far away. For example, this has been done by many different groups of people who used a laser across a lake where over 50 miles on the other side of the lake the laser was still visible. These experiments were recorded and are on alternative media at present for all to see. Probably the Globalists will have them taken down, so good to download them and save on your own computer while you can.

The Scientific and Mathematical Fact of the matter is that If the earth was a Globe Ball the other side of the lake would have been well below the earth's alleged curvature, and thus the laser would not be visible. This is what is known as a true scientific experiment; it is an experiment which anyone can carry out for themselves, at any time. And it can be repeated again, and again. And such experiments have been carried-out by many people who want to know the truth, from many countries of the world.

And all their experiments have shown a zero change in land level per miles over long distances where if we were standing on a "Globe Ball" it would be impossible to see the laser because it will have gone "under" the alleged curve of the alleged Globe Earth. These experiments alone prove that we are on a flat earth, and nothing else frankly needs to be done. But the Globalists don't want to

leave it there; they try to use "smoke and mirrors" to confuse the masses whom they have intentionally lied-to for generations. And so they try the "ship disappearing over the horizon" trick.

THE SHIP DISAPPEARING OVER THE HORIZON

You know the "ship disappearing over the horizon" trick, don't you? The "Globalists" will be quick to point out that if you can stand on the beach and watch a ship go out into the deep there will come a time when you won't be able to see the ship any more. They have the audacity to state that this is due to the "curvature of the earth." In the first place let's think about this statement; the Globalists are saying that the sea is literally "curved around the earth" which they say is a ball. When have ANY of us ever seen water curve around a ball? Is this something which can be "scientifically demonstrated"? Of course not! Water curving around a ball can never be shown or proven. Quite simply, the very idea is entirely unscientific; it cannot be demonstrated, and has never been demonstrated, EVER.

But then, you may rightly ask, why is it that the ship seems to disappear? And the answer is the simple principle of The Law of Perspective, which is a fact of life in our world, and can be demonstrated time, and time again. It is interesting that the Populace is not taught about The Law of Perspective today in the School System. Why is this? Because if you understood about Perspective you would never fall for the lie of the alleged "curvature of the earth."

And so, what is The Law of Perspective? Perspective is the way we always see the world such that everything we see goes into what is called a "Vanishing Point." In the old days, when artists used to draw or paint pictures based on reality, they had to put a Vanishing Point in their drawings, especially for landscapes, because everything goes to that Vanishing Point. A good example of this is a rail road track.

Imagine yourself standing on a railroad track and looking down the track into the distance. You will of course see that there is a point in the distance where the track appears to come to a point. This is the Vanishing Point. And if you didn't know better you might think that the track actually goes to a point. But you know better; you know that the railroad track is the same width across all the way along the track; it has to be, or the trains wouldn't run on it. And so we have the width of the railway track which seems to get smaller and smaller until it appears to be gone. But if you were to get in a car and drive to the point where you thought it had disappeared you would see that it is still exactly the same width. Or, if you had a telescope and looked down the track you would see that the width of the track is just as wide in the distance as it is right at your feet. This is an example of how The Law of Perspective works. Our eyes have a limited field of vision. However something such as a telescope with a zoom lens can see further than our eyes. And the matter of the "disappearing ship" on the ocean is exactly the same situation.

Because even though your eyes may tell you that a ship has "disappeared" as it goes out into the ocean, if you have a high power zoom lens such as a Nikon P-900 camera, and look at the horizon of the sea where the ship allegedly "disappeared over curve" you will find that you can still see that very same ship on the very same flat horizon. Water always goes to the lowest place, and is always flat. We all know this. Why don't more people understand that the oceans are flat because the earth is flat; there is no "wrapping around" of water around a ball? They don't understand the obvious because they been programmed since birth...but you don't have to be!

Because here, once again, we have a scientific experiment which you can carry-out for yourself; you can watch a ship "disappear" but you can use a high-powered lens to see how it is continuing to go out to sea for as long as the magnification of your lens allows. However when you zoom back in you will note that the ship can no longer be seen. Does this mean the Nikon P-900, or any other telescope can zoom "over the ball" following it? Of course not. Lenses cannot do this. Everyone knows this. This is due to The Law of Perspective, and nothing else.

And thus the only scientific conclusion we can have from "The Disappearing Ship" experiment is that the Law of Perspective exists, and that the surface of the ocean is completely flat, (as a body of water always is), and that there is no alleged "curve" of a "ball earth." And because our human eyes have limited distance vision, a more powerful lens can show us what is going on further away. If you were in an aeroplane above the ship you would have a further view of the horizon, as well. However we may

also note that the horizon of the earth will always rise to our eye level wherever we are. This is the reality of the world in which we live, and this can always be demonstrated by true scientific experiments, which are repeatable, and which can be done by anyone, anywhere, anytime.

And thus, the "disappearing ship" just reminds us of the Law of Perspective, and reveals the limitations of our human eyes. Maybe "Transhumanism will give us better eyesight, but I would doubt it, as the more your eyes can see, the more lies you see...

AND SO IS THERE ANY EVIDENCE FOR A GLOBE?

The fact that the alleged "curvature" has been disproved time, and time again by people with lasers used over long distances in experiments which have been filmed and can be verified is actual, scientific proof that the earth is flat. These videos can be found on alternative media channels such as Odyssey, Rumble, and Bitchute.

And thus these prove scientifically that no curvature exists is sufficient scientific evidence which disproves the Globe Earth theory. The "Bottom Line" and all that really needs to be said is that the Globe Earth theory has already been conclusively and scientifically disproved.. **However the Bible has told us all along that the earth is stationary and a circle, not a "ball" so the case is closed; both Scripture and true science agree.**

And if anyone is in any doubt of this matter, there is also an excellent book which contains 200 documented scientific proofs which have been carried-out in history entitled; "200 Proofs Why the Earth Is Not a Spinning Ball". The author of the book, Eric Dubay has provided a free pdf of the book on his website; www.ericdubay.com and he also sells the hard copy on lulu.com as well as Amazon.

And so, one might ask, why do so many people still cling to the Globe Earth theory, when it has already been categorically disproved so many times. And the answer is that we have all been born into a worldwide indoctrination programme. The Bible tells us that there is on this earth a deceiver:

"That old serpent, called The Devil, and Satan, which deceiveth the whole world" (Revelation 12:9).

And so in recent generations "that old serpent" has been able to get people to stop believing the Bible, and believe in the "scientists" who tells us about the Globe Earth shooting through "space" at over a million miles an hour instead. Everyone has been taught it since the time they came out of the womb by "authority figures" including their own parents, who were also taught the Spinning Globe Earth from a young age, to the school system, the "media", and of course, the Government. Everyone "agrees" on the spinning ball shooting through space, apparently. And so people find it very hard to break out of this false narrative because frankly just about everyone "out there" believes it.

"All we like sheep have gone astray" (Isaiah 53:6). Nobody likes to stand out from the herd. Nobody wants to be different or to be called names. And this fact of human nature is known well by "That old serpent...which deceiveth the whole world." And so "that old serpent" has a special strategy designed to silence the "Flat Earthers" ; the "Ad Hominem Attack" whether it be subtle, or not-so-subtle. TV newscasters may "roll their eyes" if "Flat Earthers" are mentioned, or "documentaries" may be produced which claim to be looking at the matter "objectively" but somehow make the "Flat Earthers" look incompetent or like social outcasts. The Netflix documentary "The Curve" follows a group of alleged "Flat Earthers" who are shown to be at odds with their friends and family. Thus the message is; if you want to be mocked and made fun of; become a "Flat Earther." That's an offer not many people would like to take up. But what about the truth of the matter? Does anyone actually care about the truth of the matter? Because yes, it is important; even though they will try to tell you that it isn't. And because it is important, the Enemy of our souls has worked very hard since 1543, using his various Agents in the world, to try to make people disbelieve the Bible and believe in the Spinning Ball. Why is this?

THE MOTIVE

And the answer is obvious. In the first place, because the Globe narrative contradicts Scripture. this is a means by which "that old serpent" who is subtle (Genesis 3:1) can get people to reject the Word of

God. If Satan can get a group of alleged "scientists" together (although, as we have seen, they are not true scientists), and come up with "theories" which are directly against the Word of God, and then have these "theories" taught in all the schoolrooms, then Satan will have been able to raise up a generation of people who reject the Bible, and believe the false "science" of his Agents.

And thus the promoters of the Globe Theory, (who are the majority of the "scientific community" in the world today), promote a pseudo-scientific version of; "It is so because I say it is so" to the Populace who are expected to gratefully lap up their kernels of supposed wisdom simply because they allege to be "scientists" and give one another great awards each year, just as the Actors in Hollywood give one another those fabulous awards. Are we impressed? A lot of people are, apparently.

MAN ON THE MOON?

Which leads us to NASA. Even though the evidence is abundantly clear that the "moon landings" were a massive fraud perpetrated by NASA and the US Government, many people today would still appear to believe that men walked on the moon in 1969 and in subsequent Apollo projects. Indeed this is still purported on the NASA website. We would suggest that this is in fact impossible because the moon is not solid, but comprised of plasma, as some genuine scientists such as Robert Foster revealed in 1965. This is a large topic which we may address in another article.

However the fact that NASA is a proven liar indicates that they cannot be used to "substantiate" any alleged claim regarding the nature of the earth, or of space, or the "planets" or anything else. They do, however, provide massive evidence as to how easily mankind can be duped through systematic brainwashing when lies are fed to the Populace by Governments, "scientists" and the Media and especially the TV, which was used at that time to spread the Moon Landing Myth. As the saying goes, the bigger the lie, and the more often those in authority tell it, the more likely the people will be inclined to believe it.

One little vignette we might touch upon is a statement made in 2015 by NASA member Don Pettit when interviewed at a Space Conference in London where in response to a question regarding why NASA hasn't been back to the moon, Pettit responded; “I’d go to the moon in a nanosecond. The problem is we don’t have the technology to do that anymore. We used to, but we... (pause)...destroyed that technology, and...(pause)...it’s a painful process to bring it back again.”

Are we seriously supposed to believe this? That NASA "destroyed the technology" to put men on the moon? And that with all the many billions NASA gets from the American taxpayer they can’t “bring back” the technology they allegedly had in 1969? But the plot thickens even further...it now transpires that all the film footage of the alleged "moon landings" has been destroyed by NASA, as well. Really? Yes. The record of the allegedly "Great Step for Mankind" can't even been kept on file by a multi-trillion dollar Government organization...Why is this? Because they know that the footage of this deception clearly shows that it is a fraud. And many people are not prepared to believe their lies any more.

However even though NASA may be incapable of basic record-keeping, thankfully many people retained the footage of the "moon landing" and have revealed on alternative media sites the many obvious flaws which show how the whole Apollo programme was a total and complete fraud. From everything from multiple false lighting sources to a "lunar capsule" held together with tin foil and tape, to an American flag blowing in the wind in allegedly "no atmosphere" etc. And there are many obvious questions such as who was on the moon filming the capsule "landing on the moon"? And when the Apollo 11 allegedly left the moon who was doing the filming? And how did they get the film footage of this back to earth thereafter?

It is humbling in a way to realise just what sheep we really are; because everyone in the world who was watching the alleged "moon landing" on TV appears to have just gone along with it at the time and believed it to be true. And in recent years China and India have said they have sent a crew to the moon, also. And people of these countries appear to believe them.

Perhaps we could say that people are naive? Or perhaps we could say that people don't expect their Government to lie to them in such a colossal way.

But now there are at least some people who aren't buying the story of the "moon landings" any more. And so NASA has done what all criminals do; they try to destroy the evidence that testifies against them. And they have moved on to a new scam; the alleged "International Space Station" (ISS). However those who are aware of what is going on have put many examples on alternative media sites which show how the ISS is a colossal fraud, as well.

And since NASA is apparently the only source of information provided by those who support the Globe Earth theory one might do well to consider the saying; "Fool me once, shame on you. Fool me twice, shame on me."

Surely none of us want to be fooled. And so let us briefly consider the moon, and then we will move into Scripture from the King James Bible, and see what the Good Book has to say.

The Moon's Craters

NASA tells us that "meteors flying around space" sometimes hit the moon causing craters to form. Is this true? Or are these craters formed by a process that occurred during the creation of the moon? Has anyone mapped any new craters on the moon? Allegedly NASA has, however how do we know if these are done with CGI pictures and animation? As always, we have to consider the source of the information. If it is NASA we would do well to verify any such matter for ourselves, whether by using powerful home-made telescopes, or a Nikon P-900. Or even, the Bible...

In this NASA picture we see that the lower part of the moon is dark but the craters are very clearly visible. We will take a closer look and give a possible explanation why they are there, remembering "science" has never shown anything hit the moon, and that there is no proof "meteors" exist. NASA "space junk" such as their alleged "satellites" which are actually helium balloons with some equipment strapped to them do sometimes fall down and cause substantial damage, as evidenced in the many videos of these found on alternative media. Yes, this is what satellites are; helium balloons up there within the firmament. And that's why NASA is the biggest purchaser of Helium in the world. SpaceX will of course be a big purchaser of helium as well.

And so we have evidence of the "Sataloons" crashing down on people's property - plenty of videos of this on alternative media. But we don't have any actual evidence of alleged "meteors" other than graphical representation/CGI. Indeed, what proof is there that all NASA space and planet videos are not computer generated? As noted above, independent people with Nikon P-900s have seen very different images of the planets than are presented to us by NASA, and which are taught in the schools as "gospel truth."

Jesus told Him followers to be "Wise as serpents, and harmless as doves" (Matthew 10:16). And so it is right to question these things. Many have already pointed out that the NASA logo has a serpent's tongue. And they have already been caught out on so many lies, the question really is, whether anything they have ever said is actually true? Looking at the craters on the moon, it's also questionable as to what caused them.

NASA "scientists" would have us believe that the moon craters were done in the "Big bang". But Scripture tells us that when God created the earth and heavens He created the moon to be a light for the earth;

"And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also" (Genesis 1:16).

If you zoom in on the moon on the picture on the left below you will see the craters have a dimple in the centre of some of the craters. This is claimed by NASA to be the result of the impacting of rocks/meteors. But if so, where are the meteors? A better explanation is found when we consider the

picture on the right, which is a sheet of poly plastic that was heated up. When we do a close-up comparison, we can see how the poly plastic sheet looks exactly the same as many of the moon craters.

NO METEORS TO BE FOUND!...AND NO METEORS COMING TO EARTH!!!!

The alleged NASA story that these were caused by "meteors" just doesn't stack up; if the moon's surface was hit by meteors, where are the meteors? And this is also true for the alleged "meteor sites" on earth which are found throughout the world which have one common trait; none of them have any "meteor rock" anywhere near them. And thus we have a common theme; no meteors ever found near the alleged "meteor craters" either on the moon or on the earth. We might also ask the question as to whether these large alleged "meteor" craters which look very much like the geysers found in places such Yellowstone Park in Wyoming, USA. And one might conclude that these craters occurred when the LORD opened up "The fountains of the great deep" during the time of Noah; just as we are told in Genesis 7:11:

"In the six hundredth year of Noah's life, in the second month, the seventeenth day of the month, the same day were all the fountains of the great deep broken up, and the windows of heaven were opened."

And with regard to the future that awaits us; we can all take heart that there is no "huge meteor" which is said to be hurtling its way towards earth. Why? Because meteors do not exist! Neither does "space"! But what does exist is a lying Government that has plenty of man-made technology that they are not telling us about. At last count, NASA gets $3 billion per day from the US taxpayer...and so what are they spending that money on? Maybe they will create some kind of calamity and blame it on a meteor. Time will tell. The more powerful computers get, the more realistic graphics and animation become; they may even create a fake "alien invasion" in order to further their Agenda of control, which the Bible tells us is the beast system of Revelation Chapter 13.

And they have worked hard to create the "outer space" narrative so that people will be ripe and ready to believe that "superior beings from a galaxy far, far away" may well be on their way here. After all, they convinced us all to believe man walked on the moon, and everyone believed them at the time. Of course, those "in the know" in Government projects such as NASA don't believe the lies; they are the ones having an alleged "space walk" down in the swimming pool. How do we know this? The "bubbles" give it away. Perhaps they will correct this obvious blip in future...too many people have spotted it. In any case, I would suggest that it is time to recognize the liars for what they are, and to distrust as a matter of policy anything they might say.

We know NASA and other organizations are claiming to be mapping new craters on the moon, but this could easily be CGI and photo manipulation. But obviously, if there are "new craters" there should also be "new meteors" shown of an appropriate size, and these are never visible. The moon craters are a difficult one to put into perspective as the moon is also proven to be see-through in the daytime, with many photos and videos on the internet showing a half moon with sky behind.

If the moon is comprised of a Plasma substance, as was stated by the scientist Robert Foster in 1965 then this would tie-in with the craters being bubbles in the plasma material. It could be that when the LORD created the Moon it was hot and bubbled, and and some of the bubbles spat outwards when bursting causing the spread effect seen around the outside of craters, and a gathering in the centre. Scripture tells us that the moon is a source of light; lights tend to be hot, do they not?

Either way, both of these ideas with regard to the craters are both theories; but NASA's idea that these are craters caused by "meteors" is discredited because there are no meteors present. And there is actually only one theory; the bubbling material seems to hold the most weight, and most importantly, it is in line with what we are told in Scripture.

The Pendulum experiment

Another pseudo-scientific experiment which has been used by supporters of the Spinning Globe model was done by Leon Foucault a Frenchman who in 1851 set up a very long pendulum in a ball joint which he claimed showed that the Earth was a Globe and that it rotated. He said that this shows how the direction of its swing changes with respect to the spinning of the earth. BUT,,,,

Foucault's pendulum was always set in motion by someone, and it would go in different directions, and wobble here and there. Long studies of Foucault's pendulum showed it gradually moved in a left or right circular motion at random when started manually, which is inconsistent with the alleged "spinning" of the earth which is said to be always in one direction. And the fact that it is held by a ball and socket joint would favour circular movements. A big crane on a building site with a single cable holding the hook is also a pendulum with a heavy hook on a long wire, however it does not behave like Foucault's experiment. Why? It is not on a ball and socket joint, and people are not intentionally pushing it to try and make up a theory.Foucault's pendulum looks impressive however, and so it is trotted out at the various museums which also specialize in making up dinosaur bones.

We should also note here that the earth has its own magnetic field which behaves like an un-fixed field that would influence the pendulum. We haven't addressed the earth's magnetic field in this article, nor the matter of Antarctica, nor of the principles of density and weight which are the real reason for things falling to the ground and not alleged "gravity." However this article is already very long, and so we shall have to leave things here for now.

FINAL THOUGHTS ON THE SCIENCE DEBATE

As we have noted, lasers travel in a dead straight line and would not be visible over a sufficient distance if we were on a curved Globe earth. The many laser experiments which have been carried-out over water in recent years are hard for Globe lovers to deny. However for those who feel they need more proof, Eric Dubay supplies 200 undeniable Proofs in his book; "200 Proofs Why the Earth is Not a Spinning Ball." He also has an excellent video of the book on his website; www.ericdubay.com These are purely scientific proofs, many of which were carried-out by scientists after the "Globe Theory" came out, and who thought that by doing the experiments they would prove the newly decreed "Globe Earth". However what transpired instead was that they ended up proving the stationary flat earth in their experiments. The Bottom Line is that there never has been a scientific experiment which has proved the spinning earth. Never.

As noted at the beginning, Edward Hendrie's book; “Proof That Our World Is Not a Moving Globe” is an excellent resource regarding both the Biblical and Scientific reasons why the earth is not a Spinning Ball. Edward Hendrie is a Bible-believing Christian, and Eric Dubay has stated that he is not a Christian, however both can agree on the scientific data which conclusively shows that the earth is stationary and essentially flat.

For those who prefer to watch a video, Eric Dubay has many on his channel on Odyssey.com and on his website; www.ericdubay.com

And so we have both Globalists and Flat Earthers on a full blown war to prove one or the other, but it would seem the Flat Earthers have the lead when it comes to proving the matter with actual scientific experiments and not "smoke and mirrors." Or no smoke, as the case may be. Now we have a general idea of what's going on, lets look into the Scriptures a bit further and see what the Bible tells us.

In the Beginning

When we read Genesis which talks of the creation, you might get the idea that some things are being ignored because they challenge worldly beliefs. However Jesus told us to be in the world, but NOT of the world. Let's look at the Word and you can make your own mind up. Obviously this may not be detrimental to anyone's salvation but if you are a Christian you will one day need to address this big topic.

If you deny his Word, what will you say when, you stand before Him? 2 Chronicles 36:16, Jeremiah 6:10, gives us the word on this.

Genesis is very clear with regard to how the earth was made, and regarding what's above it; namely the firmament. And above the firmament there are waters. God did not give us his Word so that we could cherry pick from it. We are to take His Word for what it says, and we are not to deny any part of it because of what goes on in the world, or what the leading opinion of "scientists" might be. The Bible is truth and the world is a lie because Satan is the prince(ruler) of this world and Jesus Christ has told us that he was a liar from the beginning (John 8:44).

The wise men are ashamed, they are dismayed and taken: lo, they have rejected the word of the LORD; and what wisdom is in them?

Jeremiah 8:9

Billions of dollars are invested into making people believe the lies of the serpent under the guise of "science" today, and taxpayers money is put into Satan's greatest "science faith systems" which are deceptions;

1. The Globe Earth; a spinning ball circling the sun, all travelling through "infinite space" at great speed, due to the "Big Bang"

2. Dinosaurs and an alleged "prehistoric" period etc etc.

3. The Evolution narrative, with man said to have "evolved" from apes and prior to that, "the ooze...."

4. The complete denial of the existence of Giants, which is very clearly revealed in Scripture as well as archaeology, as we discuss in our article; "Giants on the Earth".

5. Satan denies the Great Flood of Noah, although all the ancient cultures of the world have acknowledged this as well.

Why? because whilst people believe in Satan's lies the truth of the Bible and God's creation is debunked in their minds. But they also believe unscientific, impossible nonsense, as well. For example, it is obvious that there was no "BIG BANG!" because according to this atheistic theory there was no energy to produce it, either. If the "Big Bang" was the first thing that happened, where did the energy for it come from? If Evolution is true, why hasn't the human body changed (evolved) over the past 3000 years and what made it stop? And why isn't anything else, anywhere, any time, still evolving? We see no examples anywhere of the supposed "evolving" creatures. Evolution, too has never been proven. And so let us consider the Word of God describing the creation of the earth

In the beginning God created the **heaven** and the **earth**.
And the earth was without form and void; and darkness was upon the **face** of the deep. And the Spirit of God moved upon the **face** of the waters.
And God said, Let there be light: and there was light.
And God saw the light, that it was good: and **God divided the light from the darkness.**
And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.
And God said, Let there be a **firmament** in the midst of the waters, and **let it divide the waters from the waters.**

And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so.
And God called the firmament Heaven. And the evening and the morning were the second day.
And God said, **Let the waters under the heaven be gathered together unto one place, and let the dry land appear**: and it was so.
And God called the dry land Earth; and the gathering together of the waters called he Seas: and God saw that it was good.

Genesis 1:1-10

Heaven and the Earth.

God created the Heaven and Earth in the beginning. And He made the firmament to divide the waters above from the waters below. And God called the firmament "Heaven." And yet the "scientific narrative" says that the earth is zipping through space...is the firmament zipping along with it? There is no compatibility between what we are told in the Bible, and what the "scientists" tell us today. We have to choose.

And Christians who say they "believe the Bible" but also say they "believe the scientific narrative" would do well to ask themselves; since the "science" says that "space is infinite" where is Heaven? If "space" goes on "for ever and ever" there will obviously be no place left for heaven, will there? Think about it.

The Bible tells us that there are three heavens; the Firmament, which God called Heaven. And above the firmament there are waters. This must be the "second heaven". And the Apostle Paul said that there is a third heaven. How does he know that? Because Paul met a man in Christ who had been to the third heaven;

"I knew a man in Christ above fourteen years ago, (whether in the body, I cannot tell; or whether out of the body, I cannot tell: God knoweth;) such an one caught up to the third heaven" (2 Corinthians 12:2).

THE THIRD HEAVEN

Scripture does not tell us everything, but only what we need to know. However we can benefit tremendously by digging deep into the Word, and learning as much as we can. And so I would suggest that the "Third Heaven" the Apostle Paul refers to is where the Throne of God is. And because Scripture tells us that there are waters above the firmament, this must be the Second Heaven. Can we see this in Scripture? Yes we can.

Because the Old Testament Book of Ezekiel also shows us that there is a firmament under the Throne of God. Why is this? This Firmament is necessary to cover over the top of the waters, of course! Just as the firmament above our heads keep out the waters from coming down onto the earth. And so the waters above our Firmament are the "second heaven" above which there is also a Firmament, and the Throne of God is above that firmament. And what is also amazing is that this Firmament under God's throne has a rainbow in it! And so to Ezekiel:

The prophet Ezekiel was shown four winged creatures called the Cherubim, and above their heads there was a firmament:

"And there was a voice from the firmament that was over their heads, when they stood, and had let down their wings. And above the firmament that was over their heads was the likeness of a throne, as the appearance of a sapphire stone: and upon the likeness of the throne was the likeness as the appearance of a man above upon it. And I saw as the colour of amber, as the appearance of fire round about within it, from the appearance of his loins even upward, and

from the appearance of his loins even downward, I saw as it were the appearance of fire, and it had brightness round about. As the appearance of the bow that is in the cloud in the day of rain, so was the appearance of the brightness round about. This was the appearance of the likeness of the glory of the LORD. And when I saw it, I fell upon my face, and I heard a voice of one that spake" (Ezekiel 1:25-28).

And so we can understand that there are Three Heavens. Three is a heavenly number; God is a tri-une being; thus three in one. And He has made mankind in His image also; we are Body, Soul, and Spirit. The Bible tells us that Heaven is God's throne, and earth is his FOOTSTOOL...so it is very close to us; not millions or zillions of miles away;

Thus saith the LORD, The heaven is my throne, and the earth is my footstool: where is the house that ye build unto me? and where is the place of my rest? For all those things hath mine hand made, and all those things have been, saith the LORD: but to this man will I look, even to him that is poor and of a contrite spirit, and trembleth at my word.

Isaiah 66:1&2.

So we can also see from this Scripture that the LORD desires to have a relationship with mankind. He tells us; "**To this man will I look, even to him that is poor and of a contrite spirit, and trembleth at my word."** And so if we desire a relationship with the LORD He tells us what we must do. And we can also see from this Scripture that heaven and earth are close to one other; the earth is the LORD's footstool. And thus God sits on His Throne, and the earth is under His feet; it is His footstool. Just as we saw in Isaiah;

"It is He that sitteth upon the circle of the earth, and the inhabitants thereof are as grasshoppers" (Isaiah 40:22).

And thus we can see that the earth and God's Throne are right next to each other; the LORD sitteth upon the circle of the earth, above the firmament, and the earth is His footstool. However do we really think that God's Throne is spinning, circling and shooting through space? It would be, if the earth was doing all these things, since God's Throne is right next to it, and the LORD has His feet on the earth as His footstool... But we might ask the question as to why would God, who is the Creator of all things, want His throne to go circling, spinning and shooting through space, anyway? This is absurd. Isaiah 66:1 tells us that the LORD desires a "Place of my rest." Why would He make it hard for Himself by creating a system whereby He has to spin, circle and shoot through space at millions of miles an hour next to the earth? It is just not realistic to believe ANYTHING but what Scripture tells us to be true. Yes, there are plenty of mysteries that we still don't know; of course there are. But we do need to stand upon the Truth that the LORD has revealed to us in His Word.

And if we do not accept the Bible as God's Word in ALL it tells us I would suggest that we shall most certainly be judged in this regard. Why? Because all of those who reject the Word of God will be judged. As we have seen, it is very clear that there are many, many verses in the Bible that point to a flat earth which is stationary and not moving, with the sun, moon and stars moving in God's pre-ordained courses overhead. And we have only touched upon a few verses; there are plenty more. For example, the Book of Joshua tells us that the LORD stopped the sun from going down. This tells us that the sun was going down. The Book of Joshua does NOT tell us that the LORD stopped the earth from moving around the sun!!!

I would suggest that it is time to accept the Word of God in this matter;

"And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other

side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD" (Joshua 24:15).

The deceptions are so strong in this world because mankind has chosen to reject the Word of God, and so God has given mankind over to a reprobate mind (Romans 1). The MAJORITY of people today believe the greatest lies. It may be that those who hold onto the lies of Satan can still be saved, however if you have rejected God's truth in this matter, you have paved the way to reject God's truth in other matters. What happens when you will have to take a stand for Jesus Christ and His Word? Because the fact of the matter is that you really don't believe His Word if you believe the lies of Satan which have contradicted the Word of God. Satan calls God a liar. And anyone who denies the Word of God calls God a liar, as well. Not a good place to be. So yes, I would suggest that we all; "Choose you this day whom ye will serve...but as for me and my house, we will serve the LORD."

And so a few final thoughts.

Upon the **face** of the deep

And darkness was upon the FACE of the earth. A Globe or Sphere has a surface, but not a face. A **plane** has a **FACE**, and a **plane** is vast and **flat**. What did Jesus say about the truth?

"Then said Jesus to those Jews which believed on him, If ye continue in my word,
then are ye my disciples indeed, and ye shall know the truth, and the truth shall make you free" (John: 8:31&32).

Yes he was talking to the Jews, but this applies to ALL men and women on earth, as the whole Bible is truth.

God made the firmament, and divided the waters

In Genesis 6:1-8 we read how God made the Firmament to separate two areas of water. ''A**nd let it divide the waters from the waters**'', Where are the two waters?

The waters are above the Firmament and bellow it. God called the firmament Heaven, and the firmament is above the earth. There is water above the Firmament, and another firmament above these waters described in Ezekiel, which is beneath the Throne of God. The Firmament over the flat plane earth keeps the waters above from flooding the earth. The Word tells us **we are inside a sealed space, unable to leave!!** We are therefore confined to the earth. Read His Word! God is not a liar.

Water is blue like the deep blue sea, THE SKY IS BLUE because of the waters above!!!! The waters under the Firmament surrounded and covered the land (surface) of the earth, and God separated the waters from the land by lowering the waters, and thus revealing the land.

The world is full of deceptions like the theories of "evolution" and "infinite space", a fake "landing on the moon" and now a proposed "going to Mars". The Bible speaks of stars not planets. Who claimed stars are planets? The word "planets" is only mentioned once in the Bible, and it refers to pagan, Satanic practices cursed by God, where the people worshipped the "host of heaven" (2 Kings 23:5). The Bible tells us the Sun and Moon are not thousands of miles away; this has been conclusively shown by many who have conducted real, scientific experiments which are repeatable anywhere, anytime. The earth does not spin, and to be honest, the TV film media industry productions are full of dome (Firmament) symbolism because they know it to be true, and relish in the fact YOU DON'T.

And God said, Let there be **lights in the firmament** of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years: (*)
And let them be for lights in the firmament of the heaven **to give light upon the earth:** and it was so.

Genesis 1:14,15

What does this mean? It means the Sun and Moon are IN the Firmament for signs and for seasons, not placed in "outer space, in a vast universe." It's Gods word not mine, and he tells you how it is, and He should know!!! No matter how big and strong the deception may be, you only need the true Word of God, and not to be in the bondage of lies. The Bible teaches this. His word is truth. Are you a faithful and true Christian or are you cherry picking from the Bible in denial of being driven by the fear of man. Make sure you are not lukewarm and "neither hot nor cold", or you may be spewed out... Don't get that??? Then you are not reading the Bible enough.

the greater light to rule the day, and the lesser light to rule the night: he made the stars also.
And God set them in the firmament of the heaven to give light upon the earth,
And to rule over the day and over the night, and to divide the light from the darkness: and God saw that it was good.

Genesis 1:16-18

The Sun, Moon and stars, are in the Firmament. Above the firmament are waters, and then there is another firmament under where God sits, with earth as his footstool. There are three heavens, with the third heaven being where the Throne of God is located. There is no "space." Bottom line.

There are four different types of Christian movements in this world.

Faithful and true: Philadelphians (Revelation 3:7-13)

Those that believe the whole and only true word of God accepting the Bible word for word.

Laodiceans (Revelation 3:14-22)

Neither hot nor cold; believing what they feel comfortable with, and staying with the majority of the world, and not the faithful minority.

New Age fake faith (2 Corinthians 4:4).

Those who are adopting doctrines outside of the Bible focusing on being today's trend whilst accepting practices from many faiths that are not Bible-based. These will go into the One World Religion...

One World Religion followers: Worshipping the Image of the Beast (Revelation 13)

This falls under many titles including the infiltrated Catholic church and New Age groups, Prosperity preachers and many more who will fall into the one world beast system religion which is already on its way.

Let the waters under the heaven be gathered together unto one place, and let the dry land appear

In Genesis 1:9,10 What does this mean? It means God put the water under the firmament into one place under the earth plane but not completely covering it such that land is showing. The "great deep" and the Abyss are below the earth, and shown on the Hebrew diagram of the earth at the top of this Article, however the great deep/abyss is a bottomless pit, and thus it cannot be shown in a diagram. But the "pillars of the earth" are shown on the diagram. Sheol, which is hell, is in the earth itself. The lake of fire mentioned in Scripture is not on the earth (Revelation 20:12-15).

He raiseth up the poor out of the dust, and lifteth up the beggar from the dunghill, to set them among princes, and to make them inherit the throne of glory: **for the pillars of the earth are the Lord’s, and he hath set the world upon them.**

1 Samuel 2:8,9

Which shaketh the earth out of her place, **and the pillars thereof tremble.** Which commandeth the sun, and it riseth not; and sealeth up the stars.

Job 9: 6,7

" **For the pillars of the earth are the Lord’s, and he hath set the world upon them".**

The "Bottom line" is that he Bible points towards a flat and stationery earth, with a fixed Firmament above.

If you can find Scripture in the King James 1611 Bible that tells us otherwise then we would like to know. But don't worry; you won't.

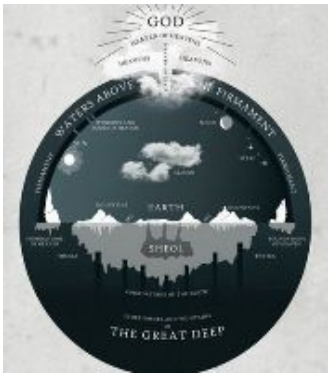
Why Make such big lies? What can be gained from it?

In recent years many have come to the conclusion things are not quite right, and now seek to fight for the truth. Why are there so many big lies taught and believed on in the world?

It's very simple,,,, If Satan is a complete liar and he is the current ruler of this world,

then what is this world based on?

IT, IS, BASED, ON, LIES.



It's big news on social media and the internet now concerning cults, secret societies and Satanic churches. If you do enough research (follow the money), you will see these organisations have members who are extremely powerful, rich and who also control big churches today. Why is this? It is because people have rejected the Word of the LORD. And so it is not only politicians and those in the Entertainment Industry who follow Satan but also many of the largest church owners who are Satanists. Make a list of the big names you find on your journey of research; whether they be "secular" or "religious" powerful and high profile people and you will find those names lead to Lies, Satanism, corruption, sodomy, genocide, wars and famine, destroying the earth and more.

Many have tried to travel to Antarctica and the ice wall on their own initiatives, only to be met by military might forcing them to turn around. Many have made their own rockets and launched them only to find out it stops and won't go higher. Videos on alternative media show these rockets brushing along a water sky making waves, which in the alleged "science" world should be impossible. Here are a couple examples of these videos.

However the time is coming when the internet will soon be censored to wipe off ALL findings and proof of the great lies which have been fed to humanity by the prince of this world (John 14:30), because many are coming to faith in Jesus Christ, because they see the lies and understand that the Bible is real, and that God and Jesus are real, and that the Bible is holding ALL the truth that God wants us to have in order to know your enemy and be wise as serpents.

If you believe the earth is flat and you see the truth of it, you see that many lies are tied in with it, like "satellites" and "planets", false statements about the sun and moon, meteors and rockets, black holes and supernovas etc. "Globe earth" is not the only lie. This world is so full of them that most of what you are exposed to in your life is a deception. Those who rule this world under Satan know the truth, but have intentionally lied to mankind in order to bring Satan's beast system; the "New World Order" into full control. And so all these deceptions have been brought in to keep people away from the many truths present on this earth that ALL point to the Bible - the King James 1611 Authorized Bible in English being the Holy Spirit inspired Word of God. We have an article on this called; "Why Are KJB Only" and the Link is;

https://www.wibc.academy/college/why-we-are-kjb-only

The Word and the World

Since the late 1800's the lies of "science" and "history" have grown and grown accelerating greatly to the present day, in big attempts to lead mankind away from salvation through the Lord Jesus Christ. But the LORD has give us all free will and the Christian remnant must endure to the end (Revelation Chapters 2 & 3). The world has a past and history of God's judgments. The evidence for these are in the world today, such as Noah's Ark, the location of Sodom and Gomorrah, and the point where Moses parted and crossed the Red Sea. Giant skeletons (Nephilim) and old buildings and ruins prove past civilizations were more advanced than we are now, including Egypt. But today's AI and growing infrastructure of technology which enforces censorship and suppression of free speech is bringing in the beast system of Revelation Chapter 13. If the Reader has not yet repented and come to Jesus Christ as their Saviour, we would encourage them to read our Article entitled: "How To Get Saved." The link is follows:

https://www.wibc.academy/home/how-to-be-saved

All glory to God our Father in heaven who made the heaven and the earth,

And to His only Begotten Son the Lord Jesus Christ our Saviour.
